

Thread Gauges

Solide Carbide Thread Milling Cutters & Button Dies

Johs. Boss GmbH & Co. KG
Praisionswerkzeugfabrik

*Acclaimed
worldwide for
their quality
and resistance
to wear...*

- Complete range of gauges covering all kinds of threads from 1 - 250mm.
- Optimum surface finish on the thread flanks and high hardness provide outstanding resistance to wear and long gauge life.
- Optimum price/performance relationship for improved cost-effectiveness.
- Large stocks covering more than 7,000 different thread dimensions and tolerances for quick delivery (ex. Germany)
- Manufactured from aged gauge steel for durable dimensional stability.
